2. GENERAL MANDATE TO REPURCHASE SHARES

At the annual general meeting of the Company held on 5 September 2014, resolutions of the Shareholders were passed to grant general unconditional mandates to the Directors to:

It is therefore proposed to seek your approval of the ordinary resolutions to be proposed at the Annual General Meeting to give fresh general mandates to the Directors.

The Directors propose to seek your approval of the Repurchase Proposal to be proposed at the Annual General Meeting, details of which are set out in ordinary resolution no. 4 of the notice of Annual General Meeting. Subject to the passing of ordinary resolution no. 4 and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the total number of Shares which may be repurchased pursuant to the Repurchase Proposal are 195,764,305 Shares representing not more than 10% of the total number of the issued Shares as at the date of passing the ordinary resolution approving the Repurchase Proposal.

An explanatory statement, as required to be sent to Shareholders under the Listing Rules to regulate the repurchase by companies with primary listings on the Stock Exchange of their own securities on the Stock Exchange to provide requisite information of the Repurchase Proposal, is set out in Appendix I hereto.

Accordingly, the Directors recommend that all Shareholders should vote in favour of the relevant resolutions to be proposed at the Annual General Meeting.

By Order of the Board
Termbray Industries International (Holdings) Limited
Lee Lap
Chairman

This appendix serves as an explanatory statement, as required by the Share Repurchase Rules, to provide requisite information to you for your consideration of the Repurchase Proposal.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,957,643,050 Shares.

Subject to the passing of the Repurchase Resolution and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company would be allowed under the Repurchase Resolution to repurchase a maximum of 195,764,305 Shares representing 10% of the total number of issued Shares as at the Latest Practicable Date.

2. REASONS FOR REPURCHASE

The Directors believe that the Repurchase Proposal is in the best interests of the Company and its Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders.

3. FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and bye-laws and the applicable laws of Bermuda. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of the capital paid up on the relevant Shares, or the funds of the Company that would otherwise be available for dividend or distribution or the proceeds of a fresh issue of shares made for the purpose. The amount of premium payable on repurchase may only be paid out of either the funds of the Company that would otherwise be available for dividend or distribution or out of the share premium account of the Company. Further, a company cannot purchase its own Shares if on the date on which the purchase is to be effected, there are reasonable grounds for believing that the Company is, or after the purchase would be, unable to pay its liabilities as they become due.

The Directors at present have not decided which proposed source of funding is to be used when the Repurchase Proposal is exercised.

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 March 2015 in the event that the Repurchase Proposal was to be exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Proposal to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date are as follows:–

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
June 2014	0.84	0.77

5. GENERAL

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Resolution and in accordance with the Listing Rules and the applicable laws of Bermuda and Hong Kong.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules), have any present intention to sell any Shares to the Company if the Repurchase Proposal is approved by the Shareholders.

No core connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Repurchase Proposal is approved by the Shareholders.

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Resolution, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Lee & Leung (B.V.I.) Limited held on a beneficial basis a total of 1,252,752,780 Shares representing approximately 63.99% of the issued share capital of the Company. Based on such shareholdings and in the event that the Directors exercise in full the power to repurchase Shares pursuant to the Repurchases Proposal, the aggregate shareholdings of Lee & Leung (B.V.I.) Limited would be increased to approximately 71.1% of the issued share capital of the Company. The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases made under the Repurchase Proposal. In the event that the Repurchase Proposal is exercised in full, the number of Shares held by the public would not fall below 25%.

6. SHARE REPURCHASE MADE BY THE COMPANY
